

Magic Multiplication

You will need: felt tip pens, absorbent paper/kitchen roll and a tray or bowl with thin layer of water.

1. Cut a piece of kitchen roll in half and double over.
2. Write your multiplication sum on the top layer.

3. Write the answer and the dots on underneath layer in a different colour.

4. Close the kitchen paper.

5. Place in the water.

6. The answer appears....as if by magic!
